### Segment-wise performance for Q3FY16

### Consumer Durable Segment

The Revenue from Consumer Durable Segment stood at Rs 213.36 crores as against Rs 140.47 crores in the corresponding quarter of the previous year, registering an increase of 52%. This is predominantly on account of marketing strategy, expansion in dealer network and customer satisfaction through after sales service. However, the segment result was lower was on account of foreign currency fluctuation loss and intense price competition especially in LED TV segment.

### **OEM & Packaged Air-Conditioning Segment**

The Revenue from this segment and the Segment Results stood at Rs. 208.43 crores and Rs. 7.87 crores as compared to Rs 185.22 crores and Rs. 4 crores respectively during the corresponding quarter last year.

In the Railway Segment, the company has signed Transfer of Technology Agreement (TOT) with Toshiba, Japan for the supply of the HVAC units for Delhi Metro RS10 project.

### **Heat Exchangers & Components Segment**

The Revenues from Heat Exchangers & Components Segment and the segment results stood at Rs 131.64 crores and Rs 13.24 crores as compared to Rs 173.28 crores and Rs. 11.68 crores respectively during the corresponding quarter last year. The decline in Aluminium and copper prices on LME has resulted in decrease in operating revenue of Heat Exchanger- Coil Business, whereas the segment results has increased on account of increased margins from engine cooling business.
