obtain moderate assurance as to whether the financial statements are free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. Based on our review conducted as above, nothing has come to our attention except as mention in **Other Matters below** that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

## 5. Other Matters:

1. The Hon'ble National Company Law Tribunal Allahabad Bench (NCLT) vide its order dated 06.12.2021 initiated the liquidation proceedings against Leel Electricals Limited (Company). Thereafter, Hon'ble NCLT by its order dated 21.03.2024 and 23.10.2024 inter-alia approved the directions for implementing sale of the Company as a going concern to a Successful Auction Purchaser i.e. Krishna Ventures Limited (KVL/Acquirer). The Liquidator has already issued the Sale Certificate dated 12.06.2024 for sale of the Company as going concern pursuant to the provisions of the Insolvency and Bankruptcy Code, 2016 (Code). The Acquirer has initiated the process for taking over of the Company. The process related to change in management has been done but other restructuring exercise such as change in capital of the Company is in process. The Acquirer is in the process of complete takeover of the Company including but not limited to records & papers of the Company. Also, the Company is in the process of obtaining the latest data of Shareholding from the Registrar & Transfer Agent (RTA) of the Company.

Our Conclusions are modified in respect of others matter 5(1) above.
